

Magnetically stimulated soft materials

List of participants and speakers:

Haim H. Bau, Univ. of Pennsylvania
Andrejs Cebers, University of Latvia
Randall M. Erb, Northeastern University
Ian Griffiths, Oxford University
Jordi Farauo, ICMA-B-CSIC, Barcelona
Gary Friedman, Drexel University
Evgeny Katz, Clarkson University
Konstantin Kornev, Clemson University
Igor Luzinov, Clemson University
Thompson Mefford, Clemson U.
Kuldip Raj, Ferrotec
Carlos Rinaldi, University of Florida
Dave Salac, SUNY Buffalo
Annette Schmidt, Univ. of Cologne
Bethanie Stadler, Univ. of Minnesota
Howard A. Stone, Princeton University
André R. Studart, ETH Zurich
Shouheng Sun, Brown University
Vladimir Tsukruk, Georgia Tech
Orlin D. Velev, North Carolina State U.
Xiangchun Xuan, Clemson University
Benjamin Yellen, Duke University
Markus Zahn, MIT
John X.J. Zhang, U. Texas Austin

Athens
May 11-12, 2015
Georgia, USA

**magnetic field directed self-assembly,
microfluidic systems, filaments and fibers,
actuators, sensors, drug delivery systems,
biomedical materials and devices,
rheological behavior, diagnostics**
